<p>Country house flooring Profile 90 x 40 mm or Profile 60 x 40 mm</p>	<p>Fixed length 1100 and 1900 mm</p>	<p>MAPLE european BEECH natural BEECHE steamed OAK SMOKED OAK heartsmoked ASH natural ASHsteamed CHERRY steamed BIRCH ALDER steamed PEAR steamed BLACK WALNUT steamed ELM steamed</p>	<p>Each corresponding angle is available in the 3-layer-construction in various types of wood. The raw materials for the corresponding angles and the parquet stem from the same growth area. The surfaces of the corresponding angles match the colour and the structure of the parquet floorings which you can find in our program.</p>
